

Dear Prospective Partner,

We are thrilled to announce an incredible opportunity to support a transformative event in Winnipeg this fall. On November 17th and 18th, 2025, Marymound will host a two-day conference, *Restoring Connection / Collective Action for Healing and Resilience*, featuring two distinguished speakers: Dr. Michael Ungar and Dr. Amy Bombay. This event will bring together thought leaders, professionals, and community members to explore innovative approaches to healing and resilience-building for individuals and communities.

Dr. Michael Ungar, founder and Director of the Resilience Research Centre at Dalhousie University, is a globally recognized expert in child, family, and community resilience. Ranked the number one Social Work scholar in the world in 2022, Dr. Ungar's groundbreaking research and clinical work have shaped how resilience is understood and applied across sectors, from mental health to corporate social responsibility. Joining him is Dr. Amy Bombay, an Anishinaabe scholar whose research highlights the intergenerational impacts of settler colonialism on Indigenous well-being and resilience. Together, their expertise promises to inspire meaningful conversations and actionable strategies for fostering connection and resilience.

This is a unique opportunity to align your organization with a vital cause while supporting an event that will have a lasting impact on our community.

Your sponsorship will not only ensure success but will also make a profound impact on the lives we touch. We believe your partnership will resonate with your commitment to mental health initiatives, community engagement, and fostering positive change.

We're offering sponsorship levels tailored to our purpose of aiding at-risk youth, providing prominent visibility for your business on our platforms. By becoming a sponsor, your business will be prominently featured on our website, associating your name with our cause. Moreover, custom content across our social media channels will amplify your exposure to our dedicated audience.
